# Additional Membership Levels

## Corporate Membership

The Rotary Club of Glendora encourages participation of corporate teams in Rotary meetings and activities to more fully achieve the mission of Rotary. A corporate entity (any business, non-profit or governmental organization) can become a corporate member of the Club by having a Primary Corporate Member considered through the regular membership process. The Primary Club member can designate Alternate members that are employed or are the board of directors of their organization to also be members in the Club a reduced cost.

- **The Primary Member may propose up to three alternates**
- **18 years of age or older**
- **The process for acceptance of the alternates into the club is the same as any other member**
- **The financial obligations of Corporate Membership will be as follows:**
  - **The primary member will pay the "Main Club Annual Dues" as stated above**
  - **Each alternate member will pay \$175**

## Family Membership

The Rotary Club of Glendora encourages participation of family members in Rotary meetings and activities to more fully achieve the mission of Rotary. To facilitate this, the Club has a membership category for family members. A Primary Club member who was, or will be considered through the regular membership process, can designate family members for membership in the Club at a special rate of dues.

- **The primary member may propose up to two family members**
- **18 years of age or older**
- **The process for acceptance of the family member into the club is the same as any other member**
- **The financial obligations of Family Membership will be as follows:**
  - **The primary member will pay the "Main Club Annual Dues" as stated above**
  - **Each family member will pay \$175**
